

# Baby Animals, Waste Of Time

You can't look before you open your eyes  
You won't learn without an open mind  
We all pray to the same god  
We all pray to the same god  
Ooh it's a waste of time  
Ooh it's a weight in my mind  
Some men dream of their life after death  
Some of Heaven or Hell  
We all pray to the same god  
We... all pray to the same god  
Ooh it's a waste of time  
Ooh it's a weight in my mind  
Ooh it's a waste of time  
Ooh it's a weight in my mind  
Slick religion is more than a threat  
It's a killer disease  
It's deception in the highest form  
And it's all born from unlove and greed  
Ooh it's a waste of time  
Ooh it's a weight in my mind  
Ooh it's a waste of time  
Ooh it's a weight in my mind
