

# Baby Blue Soundcrew, The Day Before

(chorus )

I'm Stronger than  
the day before  
i look at you  
with love no more  
no more tears  
and no more pain  
i'm glad to see that you're an ordinary man  
Only when you needed me, or someone to release your fears,  
I'm saddened that it had to end,  
but I'm glad to see your an ordinary man.

Why did'nt you come sooner,  
before my heart walked out the door.  
I waited all these years,  
kept asking you for more.  
Our friendship will always remain the same,  
the love making we'll see.  
But if it were up to me,  
I'd never leave cause you make me complete.

(chorus )

You know you were my weakness,  
that's why you came before you called.  
Now I'm finished with your games,  
although you heart complains.  
But cha never wanted, what you had, till it's gone  
was never enough for me.  
If it were up to me, I'd never leave cause you make complete.

( chorus )

Don't even try,  
don't even try.  
I'm tired of the lies.  
said I'm tired of the lies  
Everyday of everyday,  
now I changed,  
my ways.  
Now I can look you in the eyes,  
and no longer cry.
