And ya heels so tall  
And we ain't wit none of that tricking but our bills so tall  
I been peepin you fo a while and you throwin it back  
If you lookin fo youa balla we got dough in da back  
Look yo color camello brown  
And yo skin so smooth  
I'm havin fantasies about what you and me can do  
And you an undacover freak  
You probably thinking da same  
I'm seein light up on yo face because you peepin my chain  
And i ain't tryna put tou out there as if you a freak  
So don't even take it that way jus say you did it fo me  
And yeah you probably roll wit me cause its money in my pockets  
So before then i gotta see you pop lock and drop it

[Chorus 1x]

[Verse 2:]

Baby Huey  
I ain't gotta be yo man  
But i really wouldn't mind  
We ain't got to talk again i'm jus tryna have a time  
If you a balla pulla stack out and smack her on da ayyy  
Pop lockin cock blockas get up out da way  
Let lil mami get low  
Giva space let her sweat  
The club turnin to hoolas cause they shirts is so wet  
From da window to da wall  
Lil mama showin her thong  
The broad freakin herself it's tellin me that it's on  
You ready then we can roll i'm tellin you we can go  
I'm thinkin if i can handle it the way you make it roll  
You groovin and speedin up  
You right in between us  
If you a stripteasa then baby don't tease us  
At first i thought i was trippin  
But my vision gettin clearer  
You moving that thang around as if you practice in da mirra  
She doin a new dance  
What the next man said  
I'm like naw she just pop locking on a headstand

[Chorus 1x]

[Hook]

Make it roll to da left (left)  
Roll to da right (right)  
Pop lock and drop it get low a'ight  
Make it roll to da left (left)  
Roll to da right (right)  
Pop lock and drop it get low a'ight  
It ain't tricking if you got it  
We got it but i ain't givin  
Just bounce it and roll wit it and maybe you roll wit us  
It ain't tricking if you got it  
We got it and i ain't givin  
Just bounce it and roll wit it and maybe you roll wit us
