

Baby Huey, pop,lock, & drop it

evanesence
anywhere but home
missing
please, please forgive me
but i wont be home again
maybe some day you'll all
and, barely concious, you'll say to no one
isn't something missing
you wont cry for my absense
i know you forgot me long ago
am i that unimportant
am i so insignificant

CHORUS:

isn't something missing
isn't someone missing me
even though im sacrifice
you wont try for me not now
though i'd die to know you love me
im all alone
isn't someone missing me

please, please forgive me
but i wont be home again
i know what you do to yourself
i breathe deep and cry out

CHORUS:

isn't something missing
isn't someone missing me
even though im the sacrifice
you wont try for me not now
though i'd die to know you love me
im all alone
isn't someone missing me

if i bleed, i'll bleed
knowing you dont care
and if i sleep just to dream of you
i'll wake with out you there
isn't something missing
isn't something...

CHORUS:

even though im the sacrifice
you wont try for me not now
though i'd die to know you love me
im all alone
isn't something missing
isn't someone missing me
