Ay- I'm a big boy now
I'm ready to leave ciao mamma ciao
Ay- I'm a big boy now
I'm going away and I sold my cow
Before I leave - I must confess
I need a round of decompress
One more time, for all good times
Rin Tin Tagi Digi Dim Tim Tim

Gonna miss you all, but mostly the cat
Gonna miss my hay and gonna miss my bed
Most of all all imma miss the dance
So come on y'all let us prance
Rin Tin Tagi Digi Dim Tim Tim

Now don't call, don't write
I'm leaving with the first light
Don't cry but dance
Rin Tin Tagi Digi Dim Tim Tim

There's no going back
My presence fades to black
Yeah there's no going back
My anxiety attacks

I hope I find peace in the noise
Wanna become one of them city boys
They're all so pretty and so advanced
Maybe they also know our dance
Rin Tin Tagi Digi Dim Tim Tim

Bye mom, bye dad
Meow cat please meow back
Don't cry just dance
