Respect...

If, if, if, if, if...
If you ever change your mind
Only turn back the hands of time
Cross my heart and hope to die
I don't wanna see you cry
I don't wanna see you cry
Can't take this one side affair
I know for you it's much to bear
When you're drowning in despair
Just know I'll always be right there
Right there, right there, right there...
(Verme...) No, no, don't want no more
Maybe you're gonna regret it someday
You feel that you'd be better off
But it's still your loss
And you know it, take it
Take it as a loss
You'll regret, the very thing
When you just up and left
You can act you're better off
But it's still your loss
You'll regret it, regret, regret

No ser fcil olvidarte de m
Yo te hice feliz, lo sabes, lady
markus, baby, te quiero a ti
No pienses que yo ir por ti
Now you're calling, you're feeling lonely
Hoy sentirs lo que yo senta por ti
Se que hay un dolor y un vaco muy dentro de ti
Pero fue lo que decidiste, lady
Que quieres de m, recuerda de que al fin
Arrepentida vuelves t aqu
Necesitas verme y regresas por m
Se que te mueres por mi...
No puedes olvidarme...
Estoy en tu piel...
Lo sabes bien...
No quieres perder...
Ni un minuto sin m ser...
Arrepentida estas, no finjas mas...
Verme no quieres mas, y tal vez...
Te arrepentirs, yo se...
Sers tu quien perders...

Sers t, t lo sabes...
Verme no quieres mas, y tal vez...
Te arrepentirs, yo se...
Sers tu quien perders...
Sers t, t lo sabes...

Everybody need to take time to reflect
Take a space and put things in prespect'
Soon as you realize

And start to regret
And get a better hope
And get a better hope
And get a better hope
Correct, correct...
Girl, you move me
Lose me, I love your body
Girl, I want your body
Hold her strong...
Girl, you move me
Lose me, I love your body
Girl, I want your body
In my arms...
The way you move me
You just lose me
Girl, you just...
Girl, you just...
Girl, you just lose me
Girl, you just lose me
