

Babybash, Throwed off

Paul Wall, Baby Bash, what dey talkin bout (I'm jus sayin)
Its throwed off playa, it's throwed off playa its throwed off play (its goin down)
[Chorus 2x]
Its throwed off playa (already)
Its throwed off playa (already)
Its throwed off playa (already, u already know)
Its throwed off playa (already)
Its throwed off playa (already)
Its throwed off playa (already, kno evrywhere we go)
[verse 1]
Now its about dat time, we rearrange ur mind
We jammin jersey 4 shersey we blowin on dat pine
Dey call me baby bash
So wet wen i park i splash
I only fuck wit da trill dat aint no sucka task
Now lets accelerate n get 2 celebratin
I'll throw my drink in ur face wit all dat playahation
I'm not gon have it
Super unleaded watch me pimp
We got em thrown hard down at da rocky pimp
I gotta supa bed
We keep it on da cool
Space city, h-town man wat it do?
Lets get it gravitatin
Get thrown out da club
I'm throwed off like a muthafucka poppin bub
[Chorus 2x]
[verse 2]
Now u jus tuned into da crunk show
Nephews n my uncles
We poppin purk put in work
So wats up tho?
We like it big n heavy
Enormous an humongous
An on my fingers an the glock it grew some green fungus
I'm tryin na bump a beat
Wit out even tryin
I'm throwed off like a fastball from
Nolan Ryan
Sum like 2 get it hypie
Sum like 2 get it crunk
Sum like dat bold fast
And sum like dat perky stuff
[Chorus 2x]
[verse 3 paul wall]
I'm da Chick Magnet
Imma da people's champ
Im in da club throwed off cuz i'm da peoples tramp
I'm takin shots of Patron
I wash it down wit a beer
I spit da same mackin game to evry dime piece here
I'm da topic of discussion to da gurls at da bar
Dey wonder if i'm drinkin alcohol
Or sippin on barre
Dey fell in love wit my car
Dey wanna marry my cash
Dey wanna be down wit a playa
Cuz i'm ridin wit bash
I already
I pull up on pirelli drippin candy paint n jelly
I stop, at *chimmy chan's* an throw sumthing in my belly
Its paul wall, a G in da mack
Its goin down, cuz i'm dope like dat
I'm jus sayin tho

[Chorus 2x] Paul Wall, Baby Bash, what dey talkin bout (I'm jus sayin)
