

Babybird, There's Something Going On

There's something, there's something going on.
There's something going on, going on, going on.
There's something going on.
There's something going on.
There's something going on.
There's something going on.
But I can't fight it, I can't find it.
But I can't fight it.
But I can't fight it.

There's something going on.
There's something going on.
There's something going on.
There's something going on.

But I can't fight it, (I can't fight it.)
But I can't fight it. (but I can't fight it.)
But I can't fight it. (but I can't fight it.)
Without you.
