

Babyface, Can We Talk

Written by babyface, daryl simmons (1993)

Performed by tevin campbell

Last night i
I saw you standing
I started
Started pretending
I knew you
You knew me too
And just like a roni you were too shy
But you weren't the only one, so was i
And I dreamed of you ever since
Now I build up my confidence
Ooh, next
Next time you come my way
I'll know just what to say

Can we talk for a minute
Girl I want to know your name
Can we talk for a minute
Girl I want to know your name

I started to write you letters
But I wanted to be more clever
I wanted to get down and sweet talk you
Hey, baby
But just like a baby I could not talk
And I tried to come closer but could not walk
And I think of it every night
How I just could not get it right
Oh, if we ever come close again
I know what I'll say then

Hook

Oh, girl
One more chance
With you again
I will not let it go
Oh, ooh please
Give me just one more chance
For love, love, love, love

Hook 4 times
