This Is For The Lover In You

(LL)

Talkin' 'bout makin' love

(FACE)

I will love you any way baby any way  
and every way I can

'Cause I'm that kind of man

I will give you everything baby  
give you more that any girl can stand

Check it

Word is bond

Born God

Check it out

Word up son

What's the deal baby

(FACE)

I will love you any way baby any way  
and every way I can

'Cause I'm that kind of man, yeah

I will give you everything baby  
give you more that any girl can stand  
I'm gonna love you baby, baby, baby, baby

(LL)

I'm talking about making love in the shower

At least an hour

And let you dangle in my arms

'Cause love is power

Can you feel it the sky's the limit

Once you reveal it

Your heart was wounded

God sent me to heal it

On a mission ain't no stress love

Touch you with precision

Just undress love

I know the right position

Come on trust me girl

Throw this rock up on your hand

I'll give you the world

Hey yo Face

On the real

Was the honey looking laced

Ooh baby baby baby

Chorus:

This is for the lover in you

This ring means I'll always be true

This is how we'll start love anew

This time it's gonna last forever

(FACE)

I will love you all the way baby, girl that means  
this love will never end

I will take you anywhere baby, just say when  
and girl I'll take you there

I'm gonna take you baby, baby, baby, baby

(LL)

We're going from Tahiti to France  
To Italy in one night  
Drop to Bentley coupe parked in the spotlight  
And you can drive it laced in all white  
I'm wearing triple black  
Our gear is top flight  
Trips to Venice  
The man of steel when I'm in this  
A match made in heaven  
When we blend this  
Lovers everlasting  
In other words endless  
To love any other man  
Would be senseless  
Hey yo Face  
What's up, on the real  
Was the honey looking laced

Chorus

Ladies and gentleman Howard Hewett

Bridge (HEWETT)  
See I never met a girl no, no  
Who satisfied my mental and physical thing  
When I lay me down to sleep and I rest assured  
with the thought that you are right  
Right next to me

Chorus

You know what I'm saying baby  
Word is bond  
I'm feelin' it  
No doubt about it you know what I mean  
Uh looking' hot girl  
Yeah I'm feelin' you boo  
You know what I'm sayin' I swear  
There's a lot of things I want to do to you  
But first you gotta take this ring  
Drop it

So much love between us  
I'll be the one to come running  
be the one to come running  
I'll come running home to you now  
home to you my baby  
With a woman like you  
I don't need to play around  
Oh, you're more than just one woman  
You blowin' my mind with the love  
that you givin'  
I wanna hear you say it girl just say it  
Girl every day

Chorus
