Change The World
Shine it on my heart
So you could see the truth:
That this love I have inside
Is everything it seems.
But for now I find
It's only in my dreams.

And I can change the world,
I will be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.

And if I could be king,
Even for a day,
I'd take you as my queen;
I'd have it no other way.
And our love would rule
This kingdom we had made.
Till then I'd be a fool,
Wishing for the day...

That I can change the world,
I would be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.
Baby if I could change the world.

I could change the world,
I would be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.
Baby if I could change the world.
Baby if I could change the world.
