Babyface feat. Toni Braxton

Give U My Heart

Since you found a place in my heart

Givin' me a feeling

Ooh it's such a feeling

I pray that we never will part

How can I explain it

Please hear what I'm sayin'

You bring so much so much joy to my life

Words cannot express

So much happiness

I'll forever be by your side

And I will give you my heart

And I will always be true to you

And I will love you forever

If I could just make love to you

Make love to you

Girl I must confess it

You've been such a blessing

Never felt so good in my life

You know how to take it

I know how to give it

We both always have a good time

I hear what you're sayin'

Lord knows you ain't playin'

Ain't no doubt that I'm satisfied

And I'll keep it comin'

Keep bringin' the lovin'

So baby bring your lovin'

Every morning, noon, and night

[HOOK (2 times)]

Oh give me just a minute and

I'll jump right on in it

We can make love under the stars

All year pleasure pleasure

I'll be yours forever

Girl, I'll never leave now

I'll be there to please you

We won't have to worry at all

[HOOK (3 times)]

I will go all the way down

I'll make it feel so good

I wanna do you right

If I could just make love to you

[HOOK (2 times)]
