

# Babyface ft. Mariah Carey and Kenny G., Everytime

Girl, it's been a long, long time coming, yes it is,  
but I know that it's been the way, yeah,  
it feels like freetime in winter,  
it feels like Christmas in June,  
it feels like heaven,  
it has all opened this gates for me, yeah, you, yeah.

Refrain:

Everytime I close my eyes I thank the Lord that I've got you and you've got me, too.

And everytime I think of it I wish myself goes,  
I don't believe it's true,  
that someone like you loves me, too, yeah, yeah, babe, yeah.

Girl, I think that you do the something,  
and you're, you're every better dream come true,  
with you babe, it never rains and it's no wonder,  
sun always shines when I'm near you,  
It's just a love scene,  
that I've found somebody like you.

Refrain:

Everytime I close my eyes I thank the Lord that I've got you and you've got me, too.

And everytime I think of it I wish myself goes,  
I don't believe it's true,  
that someone like you loves me, too, yeah, yeah, babe, yeah.

To think of all the nights,  
I cried myself,  
you really ought to know how much you mean to me,  
it's only right,  
that you're here in my life,  
and here with me,  
oh baby,baby.

Refrain:

Everytime I close my eyes I thank the Lord that I've got you and you've got me, too.

And everytime I think of it I wish myself goes,  
I don't believe it's true,  
that someone like you loves me, too, yeah, yeah, babe, yeah
