

Babyface, I Honestly Love You

Written by peter allen, jeff barry (1974)

Performed by olivia newton-john

Maybe I hang around here
A little more than I should
We both know I got somewhere else to go
But I've got something to tell you
That I never thought I would
But I believe you really ought to know

I love you, I honestly love you

You don't have to answer
I see it in your eyes
Maybe it was better left unsaid
But this is pure and simple
And you must realize
That it's comin' from my heart
And not my head

Hook

I'm not trying to make you feel uncomfortable
I'm not trying to make you anything at all
But this feeling doesn't come along everyday
And you shouldn't blow the chance
When you've got the chance to say

Hook

If we both were born in another place in time
This moment might be ending in a kiss
But there you are with yours
And here I am with mine
So I guess we'll just be leaving it at this

Hook

I honestly love you
I honestly love you
