

Babyface, I Missing You

said ill be missing you...

said i missing you..

said i'm sitting down by the bay On a lonely day
tossin rocks accross the water And they fly away

And the sun don't seem to shine and the trees aint tall
I get summertime blues In the middle of fall

said Im feeling kind of lonely
and I feel a broken heart
cause we never have been apart
yeahh

ooh Im missing you
Said Im missing you like crazy baby all the time
Said Im missing you like crazy baby cause youre on my mind
Said Im missing you like crazy baby all the time
Said Im missing you..missing you like crazy

so I'm walking down the street
feeling lonely and sad
couples walking hand in hand, Looking mightly glad
every time I think of you
??? dissapear
Got a broken heart baby, cause I need you near
said Im feeling kind of lonely And i feel a broken heart
And I dont no wat to do cause were so far apart
said I feeling kind of lonely And my heart is torn away
and no one's gonna keep us apart

oooh yeah im missing you
