JUST MY IMAGINATION

Gwyneth Paltrow & Babyface

Each day through my window  
I watch him as he passes by  
I say to myself  
I'm so lucky he's so fly  
To have a boy like him  
Is truly a dream come true  
Out of all the girlies in the world  
He belongs to you

Chorus:

But it was just my imagination  
Runnin' away with me  
Tell you it was just my imagination  
Runnin' away with me

Soon we'll be married  
And raise a family (oh yeah...)  
Have a cozy little crib in the country  
With two children, maybe three  
I tell you I...  
Can visualize it all baby  
It couldn't be a dream  
'Cause too real it all seems  
Oooohhhh...

Chorus:

But it was just my imagination (once again yeah)  
Runnin' away with me (running away with me)  
Tell you it was just my imagination  
Runnin' away with me (away with me yeah)

Everynight on my knees I pray  
Dear Lord hear my plea yeah  
Don't ever let another  
Take his love from me  
Or I will surely die  
Her love is heavenly (heavenly) when your arms enfold me  
I hear her tender rhapsody  
But in reality  
He doesn't even know me

Just my imagination (oohh, so fly look out my window)  
Runnin' away with me (it's runnin' away with me baby)  
Just my imagination (runnin' away)  
Runnin' away with me (my baby, my sugar, my sweetie, look at my baby)

Just my imagination (oohh, so fly look out my window)  
Runnin' away with me (it's runnin away with me)  
Just my imagination (yeeaaaah)  
Runnin' away with me (my baby, my sugar, my sweetie, look at my baby)

Just my imagination (ohh, so fly look out my window)  
Runnin' away with me (it's runnin' away with me)  
Just my imagination (yeeaaaah)  
Runnin' away with me....
