

Babyface, Keeps On Fallin' (ft. Ella Mai)

Everyday like the first date
Still get butterflies, oh, yeah
Middle of the night
We all the way, baby
Baby
Ain't no looking around I'm first place
So I love him even him on his worst day
He's always there for me (yeah)
And I don't know why
He don't ever give up
Go beyond and above
Yeah, yeah (yeah, yeah)
But everytime he does
I'ma rain back at him
I keeps on falling in love (love)
Oh, yeah, yeah (ooh-ooh)
Mm-hmm, keeps on falling in love
I keeps on falling in love
Oh-oh-oh, baby (falling in love)
Mm-hmm, I keeps on falling in love (ooh, yeah)
You the reason why in the first place (yeah)
Even going up and it's yours bae
Ain't no doubt about it you Ella Mai (Ella Mai)
Baby, baby
You gotta give yourself some credit
So baby don't forget
Girls like you make the world go round
You make the world go round and round
And I don't know why
