Written by babyface, jon-john (1994) Performed by tlc

You sweet young thang you Whatever you do lord knows you do it nice and easy You keep it nice and long You sexy thang you Whatever it is you want from me you know I'll satisfy Just keep the love at home

You give me pleasure
Unlike any pleasure that I've felt or ever seen
I can't get enough of you in me
You know I treasure
Each and every waking moment that you spend with me
I'm in ecstasy

Let's do it again
'cause I love to make sweet love to you baby
Let's do it again
I wanna go all night long
Let's do it again
'cause I love to make sweet love to you baby
Let's do it again
I wanna go all night long

You precious thang you I love what you do when you do And you do it oh so special I don't see nothin' wrong With nothing 'bout you Whatever it is that makes you feel so very special A baby please please keep it on

I so desire
Everything about you and I want you to be close to me
As close as close could ever be
Come light the fire
That waits for you and yearns for you that burns inside of me
Take me to ecstasy
