

Babyface, Melt Away

Written by mariah carey, babyface (1995)
Performed by mariah carey

You come to me with a casual flow
And suddenly, my defences start to go
When you talk to me in that sensual tone
It envelops me and I lose my self control

And baby, I just melt away
Fall like rain
Everytime I see your face, I go off
I just want to break it down
Anytime you come around
Maybe I could melt away in your arms

Imagining that your taking it slow
And so tenderly
'til the feeling overflows
When you look at me I go soft and cave in
And I can't conceal that I'm slowly weakening

Hook

You and me in a cloud of reverie
Spin around inside my head unendingly
Thoughts run wild as I sit and rhapsodize
Pretty pictures of what I'd do if you were mine

Hook 2 times
