

Babyface, My Heart Is Calling

Written by babyface (1996)

Performed by whitney houston

Who would have thought of it
That I might feel like this
Some kinda wonderful
There's nothing quite comparable
The thing that validates
It's oh, so innocent
I wasn't lookin' for it
Came knockin' at my door

I'm tryin' to do things-a right, but
I'm about to lose the fight
'cause spendin' time with you
Well, it feels so good and that's the truth
End everyday with you
And I swear it brings-a me closer to my
Only reservation is you - my sweet temptation, baby

All my heart (all my heart) is calling
I'm falling for you
All my heart (all my heart) is calling
I'm falling for you

Who could imagine it
I've found my happiness and
Someone I barely know when
I like to take it slow
But you're so different boy
You're breakin' all my rules
What is it in your smile
That makes me feel the way that I do

I'm tryin' to live my life
And i'm, and I'm tryin' to live it right
If I desire you
Well, it ain't because I'm tryin' to

But everyday with you
Well I swear it brings me closer to my
Only reservation is you - my sweet temptation, baby

Hook 2 times

I've given it consideration (uh, huh)
And it all adds up to you (all adds up to you, boy)
I won't deny this heart is callin' for you, baby
(callin' for you, baby)
I've given it a lot of thought (uh, huh)
And it all ends up on you, my sweet temptation
God knows I'm fallin' for you

All my heart (all my heart) is calling (I'm callin')
I'm (baby, don't you hear me) callin', baby
All (eh, huh, uh huh, oh, oh) my heart is callin'
Is it in your smile, boy
I'm fallin' (is it in your touch then, baby)

I don't know why, boy ((I don't know why)
I don't know why, baby (I don't know why)
I don't know why, boy (is it in your smile, boy)
I don't know why, baby (is it in your touch, then baby)

I don't know why, boy (I'm fallin' for you)
I don't know why, baby (I'm fallin' for you)
I don't know why, boy (fallin', fallin', fallin', fallin')
I don't know why, baby (I'm fallin'...can't help myself)

I don't know why, boy
I don't know why, baby
I'm fallin' for you
I don't know why (uh, uh, and I don't know what it is)
I don't know why (and I don't know what it is)
I don't know why (is it in your smile), boy
Is it in your touch
I don't know why
