

Babyface, My, My, My

Written by I.a. reid, babyface, daryl simmons (1990)
Performed by johnny gill

Put on your red dress
And slip on your high heels
And some of that sweet perfume
It sure smells good on you
Slide on your lipstick
And let all your hair down
'cause, baby, when you get through
I'm gonna show off you

Tonight will be a special night
No matter where we go
And I'm so proud to be with you
I just wanna let you know
You got me sayin'

My my my, my my my my
You sure look good tonight
And you're so damn fine
I wanna say
My my my, my my my my
You sure look good tonight

After all this time

Slip on your nightgown

Step in our bedroom
But first, I wanna take some time
I just wanna look at you
Girl, you are so fine
I can't believe my eyes
And all that I wanna do
I wanna make love to you, oh

Tonight will be a special night
Of many more to come
And I'm so proud to be with you
So proud to share your love

Hook

And I'm so proud to be with you
So proud to share your love

Hook with ad libs

Put your nightgown on
Let your hair hang low
Step in our room
I'm in the mood
To love you all night long
You got me sayin' my my my my my my my my my my my my my a-my, my a-my, my a-my, my m-m-m

Hook 3 times with ad libs
