

# Babyface, Nobody Knows It But Me

I pretended I'm glad you went away  
These four walls closin' more every day  
And I'm dying inside  
And nobody knows it but me

Like a clown I put on a show  
The pain is real even if nobody knows  
Now I'm cryin' inside  
And nobody knows it but me

Why didn't I say  
The things I needed to say  
How could I let my angel get away  
Now my world is just a-tumblin' down  
I can see it so clearly  
But you're nowhere around  
1-The nights are lonely  
The days are so sad  
And I just keep thinkin' about  
The love that we had  
And I'm missin' you  
And nobody knows it but me

I carry a smile when I'm broken in two  
Now I'm nobody without someone like you  
I'm tremblin' inside, and nobody knows it but me  
I lie awake, its a quarter past three  
I'm screamin' at night  
As if I thought you'd hear me  
Yeah my heart is callin' you  
And nobody knows it but me

[x2:]  
How blue can I get  
You could ask my heart  
But like a jigsaw puzzle its been torn all apart  
A million words couldn't say just how I feel  
A million years from now you know I'll be lovin' you still

Tomorrow mornin' I'm hittin' the dusty road  
Gonna find you wherever, ever you might go  
I'm gonna unload my heart  
And hope you come back to me  
Said when the nights are lonely...
