Written by I.a. reid, babyface (1989)  
Performed by the jacksons

I'll give my all and all  
To you and no other woman  
Never will i let you down  
Never will i do wrong  
And i'll give my heart and soul  
And hope that you will never let me go  
Never had a woman so fine

And i give my love completely  
Will u love me in return  
And if it's in your heart then show me  
Then you'll never have to worry  
Cause i'll always be around, 'cause there ain't

Nothin  
And i do mean nothin  
Nothin that compares 2 u  
You're so fine that i'm scared of you  
Nothin  
And i do mean nothin  
Nothin that compares 2 u  
You're so fine that i'm scared of you

I'll give my everything  
To you and have no other  
Ever since i fell in love  
Never have i been down  
You've been the only one  
Promise my one and only lover  
Never has my love been so sound

And if you give your heart completely  
I will never let you go  
And i will love you girl so sweetly  
You will never have to worry  
Cause i'll always be around, 'cause there ain't

Hook 2 times

Hey jackie - do you want her?  
Hey randy - do you love her?  
Jermaine - do you need her?  
Hey tito - you can't have her

And if i give my love completely  
Will u love me in return  
And if it's in your heart then show me  
You will never have to worry  
Cause i'll always be around
