

# Babyface, Pretty Girl

Written by babyface (1995)

Performed by jon b.

Your lips, your smile, your tenderness  
The way you walk, I can't resist your style  
When I sleep at night, I dream of you  
I wake up wet, thinking of you

How can a man like me  
Convince a girl like you  
To be his lover and one and only  
How can I make you see  
That I'm the one for you  
And nobody does it like me

Hey pretty girl  
Can I be your man tonight  
Hey pretty mama  
Can I sleep with you tonight

Yo pretty girl, when you come to my room tonight  
I'll make you come through the night

Your legs around my waist so tight  
I'll slide down south to taste you right

It tastes so good to me, oh baby

How does a man like me  
Seduce a girl like you  
How can I make you my one and only  
How can I make you scream  
There's no one else for you  
'cause nobody does it like me

Hook

There's a candle that's burning in my heart tonight  
And the flame is full of my desire  
And I can't help but desire you in my bed tonight  
And I'll touch you in the places  
Where no one's been before  
And I'll kiss you in the places  
Where men sometimes ignore  
And I'll take you to a level  
You've never felt before  
And though you won't understand it  
You'll cry and ask for more
