

# Babyface, Roses Are Red

Written by babyface, I.a. reid (1988)

Performed by the mac band featuring the mccampbell brothers

I'll do anything to prove to you  
I care for you  
Even if I have to catch a falling star  
And if there's anything you need girl  
I'll be there for you, 'cause to me you  
Are the flower of my heart

Girl I love you for being you, and the  
Special way you always touch my heart  
Girl I'll be there, if ever you call  
I'll be your strength, your all and all

Roses are red, violets are blue  
Baby, well if there's anything I'm certain of  
It's I love you  
Roses are red, violets are blue  
Baby, well if there's anything I'm certain of  
It's I love you

You're the only one that's ever been this good to me  
That is why I'll always want you in my life  
And, when I think about the things  
That you have done for me  
It explains why you're the apple of my eye

Girl I trust you in all you do  
And I'm so thankful that  
You've opened up your heart  
And I'll be there, if ever you call  
I'll be your strength, you're all and all
