

Babyface, Slow Jams (Remix)

[SPOKEN:]

(Remix)

I can't believe I'm here

Down at the Q's Jook Joint (no doubt)

It sure is happenin' y'all (on this remix)

But listening to this music

Kinda makes me think about when I used to listen to slow jams

Back in the day (yeah)

Like Babyface, Whip Appeal (no doubt)

Or R. Kelly, Bump And Grind

But you know what (what?)

Sometimes when I'm just layin' down with my man (yeah)

I get the feelin' I need to hear a little Barry White (no doubt)

Show you right (show you right)

Then there are other times when I just need a little Sexual Healing

Of Marvin Gaye (it's the now, baby)

(Remix)

What about some Teddy Pendergrass? (no doubt)

Close the door and turn out the lights (remix)

Feels so good baby, yeah

Yes (ah)

Yeah baby

(Remix) Baby (Slow Jams, remix)

Baby, oh yeah

(Babyface)

Baby dim the lights

So while I pour the wine

Set the music up nice and slow

Wanna move with you inside a groove

Like no one's ever known

Let your body unwind and walk the mile

Tell me what you like

'Cause tonite I wanna turn you up to paradise

Sweet thang hold me close

Share my desire

And we can make the magic flow

Once the music is rocking

Give me slow jams and hot romance

Rock me with that tender dance

Baby get closer so we can feel the power of love

Share my sweet groove the whole night through

Let me lay my beat on you

We'll keep the music playing movin' in time

Let me get a taste of some Babyface

And you know it'll be alright

'Cause the road that ends at Boyz II Men

Is the road I wanna ride

We can go to the moon on a Stevie tune

Fly ribbons in the sky

Give me everything R. Kelly sings

Let us bump and grind

Baby feel the beat

Here in my heart

Move with me in ecstasy

Let the melody start

Give me slow jams and hot romance

Rock me in that tender dance

I wanna feel the passion so give me all you got
Share my sweet groove the whole night through
Make tonight a dream come true
Let's keep this groove thing going and never never never let it stop

It's something that feels so right
Take this side of your rhythm

Baby tonight's your night
When I feel your beat inside my soul
It's a do me groove I know I can't control

Sweet thang hold me close
Share my desire
We can make the magic flow
Once the music is rockin'

Give me slow jams and hot romance
Rock me with that tender dance
I wanna feel the passion so give me all you got
Share my sweet groove the whole night through
Let me lay my beat on you
Let's keep this good thing going
Movin' in time with something good
