

# Babyface, Soon As I Get Home

[SPOKEN:]

Hey, come here for a second  
I don't like the way he treats you  
He doesn't deserve you  
He really don't

What kind of man  
Would leave you standing in the cold  
Must've been a silly one  
To sacrifice a pot of gold  
You're the kind of woman  
That needs a man that's always there  
It's not that you require a lot  
Just need some tender love and care

I give good love  
I'll buy your clothes  
I'll cook your dinner too  
Soon as I get home from work  
I'll pay your rent  
Your faithful lover  
Soon as I get home, soon as I get home from work  
Girl, I'll treat you right  
And I'll never lie  
For all that it's worth  
I give good love (good love, good love, good love, good love)

It doesn't make sense  
That you should have a broken heart  
If I were the only one  
I'd never let you fall apart  
You're the kind of woman  
That needs a man with lots of cash  
With a stack of major credit cards  
And with me you don't have to ask

I give good love  
I'll buy your clothes  
I'll cook your dinner too  
Soon as I get home from work  
I'll pay your rent  
Your faithful lover  
Soon as I get home, soon as I get home from work  
Girl, I'll treat you right  
And I'll never lie or flirt  
Soon as I get home, soon as I get home from work  
Girl I'll be around, never let you down  
For all that it's worth  
I give good love (good love, good love, good love, good love)  
I give good love (good love, good love, good love, good love)
