

# Babyface, Sprung On It

Written by the boom brothers (1995)

Now I never thought that I'd be losing sleep at night over you  
Now I don't know what to do  
I promised myself that I would not cry over you  
Now I feel it all inside

Thoughts of you  
Keep driving me crazy  
And if I don't sleep  
Then it won't even faze me  
Some people call it love  
I call it sprung on you - oh

Here we go  
Here we go  
I'm coming again  
You got me messed up  
I'm sprung on it  
Here we go  
Here we go  
I'm coming again  
You got me messed up  
I'm sprung on it

I thought it would be easy to get over you  
Now I see that it's not in me  
I think I'm going crazy, going out of my mind trying to find someone to take your place

Thoughts of you  
Keep driving me crazy  
And if I don't sleep  
Then it won't even faze me  
Some people call it love  
I call it sprung on you - oh

When I'm all alone  
There ain't nothing I can do  
All I do is think of you  
Ain't about to take my mind off you  
You got me going round and round  
My whole world's upside down  
Let me love you baby, let me love you  
Uhmhhh...here we go  
Here we go
