

Babyface, Still My Boo

Still My Boo
written by Babyface

Babyface:

You're my Monday morning breakfast
And you're my Tuesday rendezvous
You're my Wednesday afternoon sex
You're my Thursday mad at you, oh
You're my Friday morning break up
Friday night I'm missing you
My Saturday evening make up
Sunday morning still my boo
Still my boo
Ooo
Yeah

Interlude

Mycalé:

You're my Monday morning laughter
And you're my Tuesday dreams at two
You're my Wednesday morning after
You're my Thursday still love you
You're my Friday morning break up
Friday night I am missing you
My Saturday evening make up
Sunday morning still my boo
Still my boo

Interlude

Babyface:

Yeah
You're my Monday evening lover

Mycalé:

You're my Tuesday morning blues

Babyface:

You're my Wednesday when things are getting better

Mycalé:

Better
You're my Thursday

Babyface:

Thursday

Mycalé:

All confused

Babyface:

You're my Friday, yeah

Mycalé:

My morning break up

Babyface:

And Friday night

Together:

I'm still missing you

Babyface

My Saturday

Mycale
Evening make up

Babyface
Sunday morning, uh

Mycale
Still my boo

Babyface:
Still My

Together:
Boo
