Written by s. carter, daven van derpool (1997)

Original lyrics by james harris iii, terry lewis (1987)

Performed by jay-z featuring babyface & foxy brown

Who be in a japanese restaurant

Eating sushi

Drinking saki, it's me

And my mommy with the doobie

Cutie smelling like miyaki

Half philippine thing

For now lets call her suki

Got me booty banging, properly

In versache pants

Cocky boot legged stance

A things of beauty

Watch me while you crave me

Firm like nature, foxy, nas, and az

Truly reasons to bug the tooty in

Keep laced and feel them watch you

But make sure that you're one of a kind

And you deserve to be my sunshine

You touch me with a heart of gold (uh huh)

I can't go a day without my sunshine (sunshine)

Touch me with a smile of gold

I can't go a day without my sunshine

Sunshine (uh uh uh uh)

Keep her repressed at all times

Cats with love, they creep (uh huh)

Just to say they

Crept with mine, slept with mine, she said

I ain't deaf nor blind niggas stress hating

'cause they're less than mine

They wanna sex me

We chose each other

You acted like you chose me

They oppose you they oppose me

We could creep at a low speed

The gat in the hoisery, double cross you

They got to triple cross me

I'm thinking thats the way it's supposed to be

One more thing

If i ever go broke

You hit the block for me, she replies

Eyes open wide

Put that on everything

I put that on my life

Right

Hook

If i needed would you, give me your kidneys

For sure

Catch a case you catch it with me

Mm for sure

Pawn your jewlery to come get me

You better know

Catch me with a chick

Forgive me

Now that, well i don't know

This is the truth i shall
Go to the loot get swell
I put this on my neck
You was from the smallest to the doobie
Me and you balling from heaven go to hell
Won't let you hit the ground, if i'm falling myself
I won't be leaving you in this cold world, brawling for
Its me and you old girl, taking the belt
From the lows to the highs
To the fold we shine
Just continue to be my sunshine

Hook 2 times
