

# Babyface, Talk To Me (Featuring Eric Clapton)

What must I say to you to get inside your head  
Why must you always think I Wanna get in your pants  
Why I always gotta be the closest thing to wrong  
Sometime the only thing a brother need he need a woman to be strong  
Well I ain't cryin', I ain't cryin' done 'bout run out of tears  
You're the closest thing to heaven I need you to be near  
Hear me darlin', hear me darlin', I can't make it more clear  
The only thing that's gonna get me through is if I got you right here  
Ooo girl, talk to me, you're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me, let me hear you sayin' that you're stayin' with me  
I know my reality is without you I ain't nothin' at all  
Why does everything I say to you have to be suspect  
Feel like the only way I'll get with you somethin' blows off my head  
I ain't tryin' to go out like that I wanna keep myself clean  
Sometime I only think a brother need, he need the strength from his queen  
I ain't lyin', I ain't lyin' done 'bout run out of time  
The only time I wanna do it right now is feel you by my side  
Hear me darlin', hear me darlin', I can't be more sincere  
The only thing that's gonna get me through is if I got you right here  
Ooo girl, talk to me, you're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me, let me hear you sayin' that you're stayin' with me  
I know my reality is without you I ain't nothin' at all  
Well, I said everything's gonna be alright when you stand by my side  
Gonna work things out tonight we're gonna make out just fine  
For once I'd like you to be the one who has the faith in me  
And I promise I won't let you down this time  
Ooo girl, talk to me, you're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me, let me hear you sayin' that you're stayin' with me  
I know my reality is without you I ain't nothin' at all  
Ooo girl, talk to me, you're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me, let me hear you sayin' that you're stayin' with me  
I know my reality is without you I ain't nothin' at all  
Ooo girl, talk to me, you're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me, let me hear you sayin' that you're stayin' with me  
I know my reality is without you I ain't nothin' at all  
Ooo girl, talk to me, you're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me, let me hear you sayin' that you're stayin' with me  
I know my reality
