

# Babyface & Toni Braxton, Where Did We Go Wrong

For as long as I loved you girl  
That I gave you all my love  
With all my heart and soul  
I thought that I was be the one  
But you didn't appreciate a single I do  
You just left me with a broken heart  
Didn't you, didn't you?

I tried to tell you baby  
Tried to tell you a thousand times  
Ooh you wouldn't listen baby  
No matter how hard I tried  
But you didn't see the love  
Was so in love with you  
Then you went to break my heart  
Didn't you?

Where did we go wrong?  
Is it all my fault?  
Where did we go wrong?  
Is it all my fault?

From the very start  
I was so into you  
Ooh from the beginning I was so so feeling you  
But you thought I cheated, that I played around on you  
But didn't you do the same, didn't you, didn't you?

Ooh gotta tell you baby  
I gotta let you know the deal  
Ooh you drove first place baby  
If we're gonna keep it real  
When you cheated, how you hurt my soul  
Ooh you broke my heart, didn't you?

Where did we go wrong?  
Is it all my fault?  
Where did we go wrong?  
Is it all my fault?

I wish I would've listened  
I wish I would've heard

Ooh I wish I would've touched you baby  
I wish I would've said the words  
That I love you, I love you  
I love you  
I love you, I love you

So where did we go wrong?  
Is it all my fault?  
Where did we go wrong?  
Is it all my fault?
