

# Babyface, Treat You Right

When I heard that you were looking for a love right away  
I knew I was the one  
Ain't no point in looking anymore...more  
Girl I'm sure 'cause I  
I know what you've been missing  
And I'm standing here to listen  
Girl I will give you undivided attention to your heart  
Heart girl I want to

Treat you right  
Treat 'cha like a lady  
Treat you right  
Treat 'cha like my baby  
Treat you right  
Treat you like the lady you are

Girl we need to be united right now, yeah  
Lets' get the fire ignited you'll see  
There's no point in waiting anymore...more that's for sure

I wanna give you my kisses girl  
I wanna give you my whole damn world  
I wanna give you my heart (my heart), my soul (my soul), don't you know

Get this girl, I really wanna get with you girl  
I wanna give you my rock, my roll, my sexy soul  
Girl I want to

[HOOK]

I wanna make you fell like you're in heaven, oh baby, yeah  
I wanna make you fall in love forever  
Don't you know that

Girl...I wanna be included in your life, baby  
Girl come on let's do it tonight, yeah  
There is no point in waiting anymore...more  
Girl I want to

[HOOK]
