

Babyface, Why

Written by babyface (1995)

Performed by 3t

Why does monday come before tuesday
Why do summers start in june
Why do winters come too soon
Why do people fall in love
When they're always breaking up
Oh why
Why do we love if love will die
Why does wednesday come after tuesday
Why do flowers come in may
Why springtime go away
Why do people fall in love
When they're always breaking up
Oh why
Why do I love you tell me why

It's not like I can explain what's in my heart
It's just I feel a crazy pain when we're apart
I don't wanna breathe
I don't wanna think
I don't wanna love
I don't wanna do anything
It's not like I can describe what's going on
It's just I feel I'm not alive
When you're not home
I don't wanna sleep

I don't wanna be
I just want you here beside me
Without you there's no me

Hook

It's not like I can escape what's in my soul
'cause without you inside my heart
Where can I go
I don't wanna see no you without me
I can't go through life without you
Without you there's no me

Hook

Why do the rivers flow to the sea
If rivers flow why can't your love flow through me, babe
Why does my mind misunderstand
To be in love, to feel your love
Why don't I feel complete

Hook

Tell me why
Tell me why
Tell me why
Tell me why
