## Babyface, Why

Written by babyface (1995) Performed by 3t

Why does monday come before tuesday Why do summers start in june Why do winters come too soon Why do people fall in love When they're always breaking up Oh why Why do we love if love will die Why does wednesday come after tuesday Why do flowers come in may Why do flowers come in may Why springtime go away Why do people fall in love When they're always breaking up Oh why Why do I love you tell me why

It's not like I can explain what's in my heart It's just I feel a crazy pain when we're apart I don't wanna breathe I don't wanna think I don't wanna love I don't wanna do anything It's not like I can describe what's going on It's just I feel I'm not alive When you're not home I don't wanna sleep

I don't wanna be I just want you here beside me Without you there's no me

Hook

It's not like I can escape what's in my soul 'cause without you inside my heart Where can I go I don't wanna see no you without me I can't go through life without you Without you there's no me

Hook

Why do the rivers flow to the sea If rivers flow why can't your love flow through me, babe Why does my mind misunderstand To be in love, to feel your love Why don't I feel complete

Hook

Tell me why Tell me why Tell me why Tell me why
