

# Babyface, Why Does It Hurt So Bad

Written by babyface (1995)

Performed by whitney houston

Why does it hurt so bad  
Why do I feel so sad  
Thought I was over you  
But I keep crying  
When I don't love you  
So why do I hurt so bad  
I thought I had let you go  
So, why does it hurt me so  
I gotta get you outta my head  
It hurts so bad

My life's been better since the day you left boy  
I must admit life's been kind to me

I went and did things I said I would do boy  
I found someone who loves me for me  
Haven't had much drama since the day that we split boy  
My heart's never been more at ease  
And when I think of all the things you put me thru  
Leaving you has been the best thing for me

Hook

Never again that's what I said to myself  
I never wanna feel your kinda pain again boy  
Just when I think it's over  
Just when I think it's thru  
I find myself right back in love with you
