

Babylon, Nobody

Lyrics to Nobody :

My sound we come to take over
MC you better look over your shoulder
Yeah you know we on and on, oh well know

Nuff ah dem ah come an dem ah try dog we out,

Born down Pill we are the Ruffneck scouts
Music we make to make the crowd jump up
Crowd get hyped explode and erupt
Blend up the Ragga metal punk hip-hop
Unity sound killer groove non stop
Is ah Fe dis pit only the strong will survive
Strenght and power ago keep dem alive

My sound we come to take over
MC you better look over your shoulder
Yeah you know we on and on, oh well know
Skindred we in ah you area
Bring the Raucous you know we superior
Yer you know we on and on

Nobody gets out of dis ya pit alive
Nobody no body gets out alive
No Body gets out of dis ya pit alive
No body no body gets out alive

Nobody gets out of this ya pit alive
Come follow me 1 and 2 and 6 and 7 and 43 and
Nobody gets out of this ya pit alive

Nobody gets out of this ya pit alive
Nobody no body gets out alive
No Body gets out of this ya pit alive
No body no body gets out alive

Some ah dem ah come an dem ah try flex with dis,
Show dem the Ragga punk power and watch dem head twist,
String like a scorpion buzz like an E,

My sound we come to take over
