

Babylon Zoo, Mervs Tune

Take a photograph of his mother
cause she wants to be a man,
believes in evil of love

Wanna stay a man
and she rises like a Venus in my mind
where is the sister gone?
she feels fine, oh
she's fine, she's mine

Take a photograph of your sister
cause she wants to be a man,

believes in evil of love

Here's an angel man
and it rises like a phoenix in my mind
believes in evil of love, away

See
Rose hasn't changed, hasn't changed
She's fine, she's mine
and she seems so fine (and she pleases)
I don't know if you are in love
