

# Babyshambles, From Bollywood To Battersea

Well, it's a long, long way, ooh  
From Bollywood to Battersea  
Bollywood to Battersea  
Bollywood to Battersea  
La la la la  
I was a child of the pound and the crown  
I lost myself in the haze  
Of the new life that I found  
On the silver screen  
She was a child of the movies and the dollar  
One fine day I was led astray  
She took me by the collar  
Said, "You must follow me"  
Well, it's a long, long way, ooh  
From Bollywood to Battersea  
Bollywood to Battersea  
It's a long, long way, ooh  
From Bollywood to Battersea  
Bollywood to Battersea  
Bollywood to Battersea  
Yeah, I was a child of the suicide and the leisure  
Oh one fine day I was led astray to a burning collar  
Said, "What's your pleasure?"  
I was born in the four minute warning  
My old man said as he shook his head  
&"Ohh, fuck this, I'm off down the boozier"
