

# Bachelor Girl, I'm Just A Girl

I'm just a girl X 4

I might be a little, concerned with my hair.  
I might need comfort, more than my share,  
I might seem to follow fashion, but claim that I don't care.  
My heart is your best friend, when it rules my head.

I might wanna talk alot, don't ask me why,  
And I'll get impatient, if you don't reply.  
I might always search for something wrong, I want you to deny,  
And if you love me, just stay close, and hold me when I cry.

CHORUS:

Don't try to understand me,  
I'm just a girl.  
One of the greatest mysteries,  
You'll find in this world.  
I'm not hard to handle,  
I'm just a girl X 2.

I don't seek money, but I want your time,  
'Cause I'd give my life for you, when you are mine.  
And it hurts me more than I can say, when you pull away,  
But if you love me, you should tell me everyday

CHORUS:

Don't try to understand me  
I'm just a girl  
One of the greatest mysteries  
You'll find in this world  
I'm not hard to handle

I'm just a girl X 5

You might think I'm too demanding  
But you're just not understanding, no

I might like to take advice, but go my own way  
And it's when I hurt the most, i swear i'm ok.  
And it's always when you least expect, I say i wanna stay  
It might take just a single kiss, to steal my heart away

CHORUS:

Don't try to understand me  
I'm just a girl  
One of the greatest mysteries  
You'll find in this world  
You Think I'm an X-file  
But I'm just a girl X 2

CHORUS:

Don't try to understand me  
I'm just a girl  
One of the greatest mysteries  
You'll find in this world  
I'm not hard to handle  
I'm just a girl X 6
