

# Bachman-Turner Overdrive, Blown

I used to smoke my brains out  
Fly through the sky  
I used to love to freak out  
Do you wonder why  
I heard the Stones rolling  
And I'd roll too  
I didn't care what I was doing  
As long as I was with you  
I was blown  
That's what you're now  
I was blown  
Didn't care what I had  
I was blown  
Right inside a jet stream  
I was blown  
Right inside a dream  
I used to tell my story  
Right out loud  
I sure was in my glory  
I sure was proud  
But then one day I fell down  
I couldn't get up  
People crowded all around  
That's when they locked us up  
I was blown  
That's what you're now  
I was blown  
Didn't care what I had  
I was blown  
Right inside a jet stream  
I was blown  
Right inside, right inside  
Right inside a dream  
I was blown  
That's what you're now  
I was blown  
Didn't care what I had  
I was blown  
Right inside a jet stream  
I was blown  
Right inside a dream  
I was blown  
I was blown  
I was blown, blown, blown  
I was blown, blown, blown  
I was blown, blown, blown, blown, blown  
I was blown, blown, blown, blown, blown  
I was blown, blown, blown, blown, blown  
I was blown, blown, blown, blown, blown  
I was blown  
I was blown  
I was blown  
I was blown  
I was blown, blown, blown  
I was blown, blown, blown  
I was blown, blown, blown  
I was blown, blown, blown

...
