## Bachman-Turner Overdrive, Just For You

You can be the life of the party Or you can be the belle of the ball You can break my heart if you want to And you can make me wait for your call I can only give you my promise That I will always stay by your side You can make my heart spin in circles And I'll go along for the ride Just for you, just for you Ya ya ya ya, just for you There are so many things I would do D d d d d d, just for you, woo oo oo D d d d d d, just for you, woo oo oo, just for you You can be the tiffany diamond Or you can be the real Coupe de Ville You can tear my life into pieces Or you can make my world stand still I can only say that I love you So take me for just what I am You can see the stars in my future And I'll go along with the plan Just for you, just for you Ya ya ya ya, just for you There are so many things I would do D d d d d d, just for you, woo oo oo D d d d d d, just for you, woo oo oo, just for you

Baby, you can be the sun in the morning To shine your light through all of the day You can lose my love in the darkness And you can only show me the way I can only give you my promise That I will always stay by your side And you can make my heart spin in circles And I'll go along for the ride Just for you, just for you Ya ya ya ya, just for you There are so many things I would do D d d d d, just for you, woo oo oo D d d d d d, just for you, woo oo oo, just for you D d d d d d, just for you, baby, baby, baby D d d d d d, just for you, woman, woo oo oo, hey D d d d d d, just for you, hey, hey D d d d d, just for you, hey, hey D d d d d d, just for you, woo oo oo D d d d d d, just for you, woo oo oo There are so many things I would do Yeah, there are so many things I would do D d d d d d, just for you, woo oo oo D d d d d d, just for you
