

Bachman-Turner Overdrive, Let It Ride

Good bye, hard life
Don't cry, would you let it ride?
Good bye, hard life
Don't cry, would you let it ride?
You can see the mornin'
But I can see the light
Try, try, try and let it ride
While you've been out runnin'
I've been waitin' half the night
Try, try, try and let it ride
And would you cry?
If I told you that I lied?
And would you say goodbye
Or would you let it ride?
And would you cry?
If I told you that I lied?
And would you say goodbye
Or would you let it ride?
Feel my life is not complete
I never see you smile
Try, try, try and let it ride
Baby you want the forgivin' kind
And that's just not my style
Try, try, try and let it ride
And would you cry?
If I told you that I lied?
And would you say goodbye
Or would you let it ride?
And would you cry?
If I told you that I lied?
And would you say goodbye
Or would you let it ride?
I've been doin' things worthwhile
And you've been bookin' time
Try, try, try and let it ride
And would you cry?
If I told you that I lied?
And would you say goodbye
Or would you let it ride?
And would you cry?
If I told you that I lied?
And would you say goodbye
Or would you let it ride?
Would you let it ride?
Would you let it ride?
Would you let it ride?
Would you let it ride?
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Try, try, try and let it ride
Would you let it ride?
Would you let it ride?
Would you let it ride?
Would you let it ride?
