

# Backstreet Boys, All I Have To Give Conversation

All...

Everything I have is for you

My name is Kev  
And I like the type of girl who can love me for me  
The type of girl who I can hold in my arms  
And give her all that I have to give  
And if you're that type of girl  
Then you're getting all my love

My love, my love

That's right baby

Hi my name is Brian  
But you can call me B-Rok 'cuz I'll be rockin' your house \*laughs\*  
Nah, I'm just playin'  
But on the real tip, I like a serious girl  
Somebody who's gonna be smart  
A girl who even... even likes to go to school  
(Yo Brian, stop lying)  
No, c'mon Nick, for real  
I like a girl with a good head on her shoulders  
(Yeah right!)  
C'mon

[Refrain:]

My love, my love  
All my love is for you  
My love, my love  
And I'm gonna give it to you  
My love, my love  
My love is all I have to give

My name is Howie D.  
And this is how we do it  
I like the type of girl that one day she'll become my wife  
We'll get married and she'll make me breakfast  
She'll make me lunch and my dinner  
I want bacon and eggs, pancakes, orange juice, mashed potatoes,  
Turkey, guacamole, chicken...  
(Yo, yo, Howie... chill... Howie? Howie?)

Yo, my name is A.J.  
And I like the type of girl who'll let me do everything for her  
Let me make you breakfast  
Let me make you lunch  
Let me make you dinner, baby  
But after that, I'll just make you happy  
See Howie, that's how you gotta do it  
Howie? Yo... yo... D?  
(Yo, why you gotta dis me like that for?)

[Refrain]

My name is Nick  
And I like the type of girl that loves to go dancing  
The type of girl that likes to move her body  
The type of girl that likes to shake what her mama gave her  
The type that will let me hold her hand and kiss her  
The type that will let me take her to the movies and then kiss her  
The type that will let me hold her so tight and then kiss her  
And kiss her, and kiss her, and kiss her \*laughs\*

[Refrain]

My name is B-Rok and I'm gonna always love you  
My name is A.J. and I'm gonna always love you  
My name is Howie... how we doin' sweetheart?  
My name is Nick and I will always love you  
And baby, my name is Kev  
And I just want you to know  
That I will always love you  
Yes baby... no diggity

[Chorus]
