

# Backstreet Boys, As Long As You Love

Although loneliness has always been a friend of mine,  
I'm leaving my life in your hands.  
People say I'm crazy and that I am blind,  
Risking it all in a glance.  
And how you got me blind is still a mystery,  
I can't get you out of my head.  
Don't care what is written in your history,  
As long as you're here with me.

I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me

Every little thing that you have said and done  
Feels like it's deep within me  
Doesn't really matter if you're on the run  
It seems like we're meant to be

I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me

Yea ah ah  
As long as you love me  
As long as you love me  
As long as you love me

I've tried to hide it so that no one knows  
But I guess it shows  
When you look into my eyes  
What you did and where you are comin' from  
I don't care, as long as you love me, baby.

I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me

Who you are  
Where you're from  
what you did  
As long as you love me

Who you are (Who you are)  
Where you're from (Where you're from)  
what you did  
As long as you love me

Who you are  
Where you're from

what you did (i dont care)  
As long as you love me
