Baby I'm Yours
So please don't hurt me...I'm scared
Don't desert me
I'm afraid of being the fool again

Baby I'm yours if you want me
(Baby I'm, Baby Baby I'm yours. Baby I'm)
Baby I'm yours if you need me
(Baby I'm, Baby Baby I'm yours. Baby I'm)
Lovin' you forever if you want me
Ya gotta give me your love
Baby I'm yours if you need me

Ooooh, yeah baby, yeah

Extended version:
Realise girl that my faith is kind of torn
So watch your step girl
Because my heart is weak and worn
So won't you please be careful I'm fragile
I can't imagine the damage
I'll have to handle
If you hurt me one more time
Please be mine

Baby I'm yours if you want me
(If you want my love)
Baby I'm yours if you need me
Lovin' you forever if you want me
(Give me your love)
Baby I'm yours if you need me

Hey baby I finally found someone
That I can depend on
I just want you to know
That I'm yours sweetheart...
Hey someone that you can depend on...
Don't you ever go nowhere, baby

Baby I'm yours if you want me
(If you want my love)
Baby I'm yours if you need me
Lovin' you forever if you want me
(Give me your love)
Baby I'm yours if you need me
