## Backstreet Boys, Back to your heart

Its not that I cant live without you Its just that I dont even want to try Every night I dream about you Ever since the day we said goodbye If I wasnt such a fool! Right now Id be holding you Theres nothin that I wouldnt do Baby if I only knew Chorus: The words to say The road to take To find a way back to your heart What can I do To get to you And find a way back to your heart I dont know how it got so crazy But III do anything to set things right Cause your love is so amazing Baby youre the best thing in my life Let me prove my love is real And made you feel the way I feel I promise I would give you the world If only you tell me girl Give me one more chance, to give my love to you Cause no one on this earth loves you like I do, tell me Chorus I turn back time To make you mine And find a way back to your heart I beg and plead Fall to my knees To find a way back to your heart Chorus
