

Backstreet Boys, Chances

what if I'd never run in to you
what if you'd never smiled at me
what if I hadn't noticed you too
and you'd never showed up where I happened to be

what's a girl like you
doing in a place like this
on quiet night
what are the odds
what's a guy like me
doing in a place like this
could have just walked by
who would've thought

what are the chances
that we'd end up dancing
like 2 in a million
like once in a life
that I could have found you
put my arms around you
like 2 in a million
like once in a life
what are the chances

what if I hadn't asked for you name
and time hadn't stopped when you said it for me
of all of the places that I could've made
all of the nights that I couldn't sleep

what's a girl like you
doing in a place like this
on quiet night
what are the odds
what's a guy like me
doing in a place like this
could have just walked by
who would've thought
