

# Backstreet Boys, Don't Go Breaking My Heart

I got mixed emotions  
did i finally found me a river that could lead me out to the ocean?  
cause I've only ever know the kind of love  
that leaves you bodied and broken  
so forgive me for my mixed emotions

I'm not that kind of person who can fall in  
and out of love with you  
that's not what love's supposed to so  
I'm not that kind of person who can fall in  
and out of love with you  
that's not what love's supposed to so

baby, Don't Go Breaking My Heart  
Breaking My Heart  
baby, Don't Go Breaking My Heart  
Breaking My Heart  
cause it's the only one I got  
cause it's the only one I got

am I being too open?  
cause I told you everything  
I have to say and now we're having a moment  
does it make you wanna pick up all your things  
and drive away like it's stolen?  
just forgive me if I'm being too open  
no, no,no,  
yes, yes, yesh

I'm not that kind of person who can fall in  
and out of love with you  
that's not what love's supposed to so  
I'm not that kind of person who can fall in  
and out of love with you  
that's not what love's supposed to so

so if you're gonna love me  
love me right  
but if you 're gonna be someone  
that hurts somebody just for fun  
then do it to a heart that isn't mine
