

# Backstreet Boys, Fallen Angel

I wanna know  
Yeah I wanna know  
I wanna know  
I have been fooled  
You were so good at that  
So in blue  
Too many pieces to put back  
You were the best by far  
How do we end up like this, yeah  
And even though you are  
I can't believe it's like this  
I wanna know  
How does it feel to be a fallen angel?  
Your wings are lying on the ground  
How does it feel to be a fallen angel?  
Forever is a long way down  
You were everything that I thought I wanted to be  
But everything is just a beat for me so  
How does it feel?  
How does it feel to be a fallen angel?  
Of love  
I wanna know  
Ooh  
I wanna know  
I followed you to the deepest part of love (of love)  
How do you destroy the life I built for us?  
This is a mystery  
You played the part so well, yeah  
Now this is history  
Cuz I'm the last to tell  
I wanna know  
How does it feel to be a fallen angel?  
Your wings are lying on the ground  
How does it feel to be a fallen angel?  
Forever is a long way down  
You were everything that I thought I wanted to be  
But everything is just a beat for me so  
How does it feel?  
How does it feel to be a fallen angel?  
Of love  
The only thing that's worst than emptiness  
Is when your heart's lost  
And the only thing that's worth the pain  
Is the prize that love cost  
Just when  
You think it's already here  
But that's when it's gone  
And you think that you're invincible  
Believe me you're so wrong  
Tell me how does it feel  
How does it feel to be a fallen angel?  
Your wings are lying on the ground  
How does it feel to be a fallen angel?  
Forever is a long way down  
You were everything I asked for I wanted to be  
But everything is just a beat for me so  
How does it feel?  
How does it feel to be a fallen angel?  
Of love  
I wanna know  
Tell me how does it feel, yeah  
Tell me how does it feel  
I wanna know  
How it feels

I wanna know
